

# PLUG INTO POWERART!

## PowerArt! Sponsors Amp it Up!

**More PowerArt! is Coming to Downtown Ann Arbor This Summer.**

Fun, whimsical and popular with townies and visitors, **PowerArt!** is back! New artworks will pop up on traffic signal boxes throughout the city center to transform graffiti and flyer-laden signal boxes into colorful canvases highlighting the talent of local artists who live, go to school or work in Washtenaw County.

**PowerArt! Sponsors Spark Pride, Energize Artists and Ignite a Grant!**

For just \$1,000, you express your community pride, support for local artists and sponsor **PowerArt!** Add your name or logo to an installation that will be in place for years.

**Super Charge It!** Your sponsorship helps meet a \$15,000 matching PowerArt! grant from the Michigan Council for Arts and Cultural Affairs.

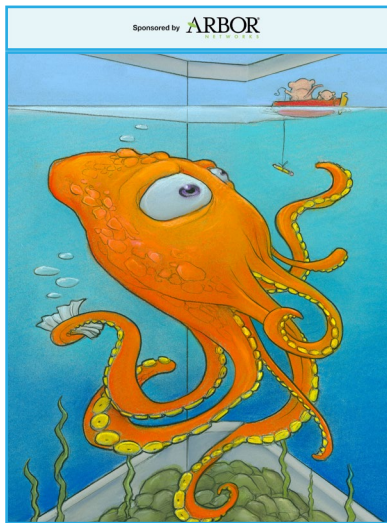

"This is art that can be enjoyed by everyone."
